The International Journal of Film and Media Arts is an open access publication, promoted by FilmEu - The European Universities Alliance of Film and Media Arts and the Film and Media Arts Department of Lusófona University, Lisbon, Portugal. IJFMA is a semiannual publication focusing on all areas of film and media arts research and critique, namely animation, television, media arts and videogames, and their varied social and cultural forms of expression and materialization. In June 2020, IJFMA was accepted for indexation in Scopus from Elsevier, one the largest abstract and citation database of peer-reviewed literature in the world. The Content Selection & Advisory Board (CSAB) of Scopus has pointed out that “The journal consistently includes articles that are scientifically sound and relevant to an international academic or professional audience in this field”.
