The International Journal of Film and Media Arts is an open-access access, promoted by the FilmEU - European University and Film and Media Arts Department - Lusófona University (Portugal), and funded by CICANT/ FCT (UID/05260/2025). IJFMA is a semiannual publication that focuses on all areas of film and media arts research and critique, including animation, television, media arts, and videogames, as well as their varied social and cultural forms of expression and materialisation.

In June 2020, IJFMA was accepted for indexation in Scopus from Elsevier, one of the largest abstract and citation databases of peer-reviewed literature in the world. The Content Selection & Advisory Board (CSAB) of Scopus has pointed out that "The journal consistently includes articles that are scientifically sound and relevant to an international academic or professional audience in this field"
