

International Journal of Games and Social Impact

WELL

Published by:

Vol. 1. Issue no.1

Publication: Jan 2023

The International Journal of Games and Social Impact is a semiannual open-access publication for games research and critique on social change, inclusion, education and Human Rights. IJGSI aims to research, discover, and foster links between games studies in academia and civil society through educational and knowledge exchanges.

Editorial correspondence to be addressed to:
